BioMed Central publishes a collection of peer-reviewed, open access journals, many of which publish content related to respiratory research. All journals are included in PubMed. For further details on any journal below, plus a full list of Editorial Board members, please visit the journal’s website.

**Respiratory Research** is an open access, peer-reviewed, online journal that considers manuscripts on all aspects of respiratory function and disease. 
*Respiratory Research* is indexed by PubMed, PubMed Central, MEDLINE, Thomson Reuters (ISI), CAS, Scopus and Current Contents.

**BMC Pulmonary Medicine** is an open access journal publishing original peer-reviewed research articles in all aspects of the prevention, diagnosis and management of pulmonary and associated disorders, as well as related molecular genetics, pathophysiology, and epidemiology. 
*BMC Pulmonary Medicine* is indexed by PubMed, MEDLINE, CAS, Scopus, EMBASE and Google Scholar.

**BMC Medicine** - the flagship medical journal of the BMC series - publishes original research articles, commentaries and reviews in all areas of medical science and clinical practice. Other article types may be considered at the Editor’s discretion. 
*BMC Medicine* is indexed by PubMed, MEDLINE, BIOSIS, CAS, Scopus, EMBASE, Thomson Reuters (ISI) and Google Scholar.

**Cough** is an open access, peer-reviewed, online journal that will encompass the scientific and clinical aspects of both acute and chronic cough. 
*Cough* is indexed by PubMed, PubMed Central, CABI, Scopus and Google Scholar.
Journal of Medical Case Reports is an open access, peer-reviewed online journal that will consider any original case report that expands the field of general medical knowledge.

Journal of Medical Case Reports is indexed by Cinahl, Citebase, Google Scholar, Index Copernicus, OAIster, PubMed, PubMed Central, Scirus, Scopus, SOCOLAR and Zetoc.

Journal of Cardiothoracic Surgery is an open access, peer-reviewed online journal that encompasses all aspects of research in the field of cardiothoracic surgery.

Journal of Cardiothoracic Surgery is indexed by PubMed, PubMed Central, MEDLINE, Thomson Reuters (ISI) and Scopus.

BMC Medical Imaging is an open access journal publishing original peer-reviewed research articles in the development, evaluation, and use of imaging techniques and image processing tools to diagnose and manage disease.

BMC Medical Imaging is indexed by PubMed, MEDLINE, CAS, Scopus, EMBASE and Google Scholar.

BMC Physiology is an open access journal publishing original peer-reviewed research articles in cellular, tissue-level, organismal, functional, and developmental aspects of physiological processes.

BMC Physiology is indexed by PubMed, MEDLINE, BIOSIS, CAS, Scopus, EMBASE, Zoological Record and Google Scholar.

Fibrogenesis & Tissue Repair is an open access, peer-reviewed online journal featuring high-quality studies providing novel insights into the mechanisms, diagnosis and treatment of human diseases characterized by chronic wound healing and fibrogenesis.

Fibrogenesis & Tissue Repair is indexed by PubMed and PubMed Central.

BMC Research Notes is an open access journal publishing scientifically sound research across all fields of biology and medicine, enabling authors to publish updates to previous research, software tools and databases, data sets, small-scale clinical studies, and reports of confirmatory or ‘negative’ results. Additionally the journal welcomes descriptions of incremental improvements to methods as well as short correspondence items and hypotheses.
THE BENEFITS OF PUBLISHING IN BIOMED CENTRAL’S JOURNALS:

OPEN ACCESS
Access to the research published in our journals is free (not only on the journal’s website but also via PubMed Central, the National Institutes of Health’s electronic archive of full text articles, UK PubMed Central and other national archives), which means anyone with Internet access can read your research.

HIGH VISIBILITY
Research articles are freely available to the entire global scientific and medical communities. Average full-text downloads are 250 per article per month.

INCLUDED IN PUBMED
All research articles published in BioMed Central’s journals are included in PubMed, so your work can be found and cited by researchers and clinicians around the world.

YOU RETAIN COPYRIGHT
This means you can freely post your article on your personal or institutional homepage and e-mail it to friends and colleagues.

PUBLISHED QUICKLY
Online submission and peer review makes the whole process of publishing your research simple and efficient. Articles are published rapidly upon acceptance.

NO SPACE CONSTRAINTS
Publishing online means unlimited space for figures, extensive data and video footage.

GET YOUR ARTICLE PROMOTED
When appropriate, articles are promoted by e-mailing selected groups of researchers working in the same field or by informing the general and/or scientific press.
